Purpose:

This tutorial will help Faculty, Staff, and Students connect their iDevices to the GovState wireless network.

Step 1

Click **Settings.**

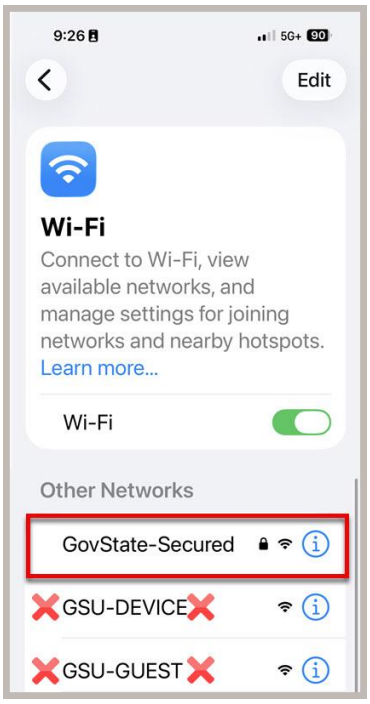

Step 2

Select **Wi-Fi**.

Step 3

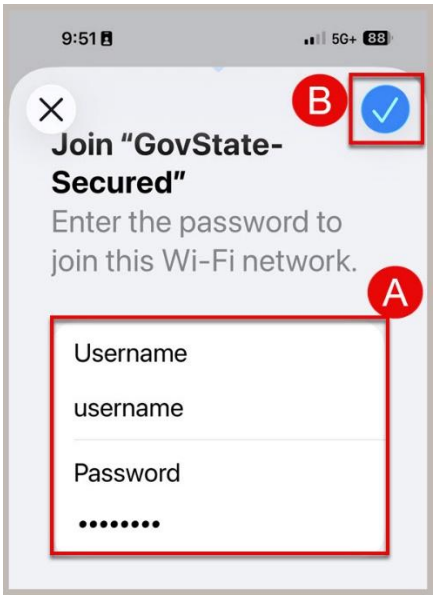

If the Wi-Fi is OFF, click the toggle switch. If it is green, the Wi-Fi is on. Select **GovState-Secured**.

Step 4

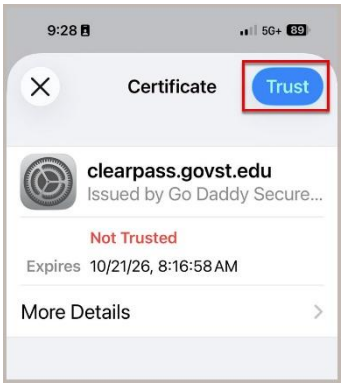

Log in using your **GovState username and password (A)**, then click the **checkmark (B)** in the upper right corner.

Note: *Your GovState Username is your email address without the @govst.edu suffix. Ex. Jjaguar@govst.edu username would be Jjaguar.*

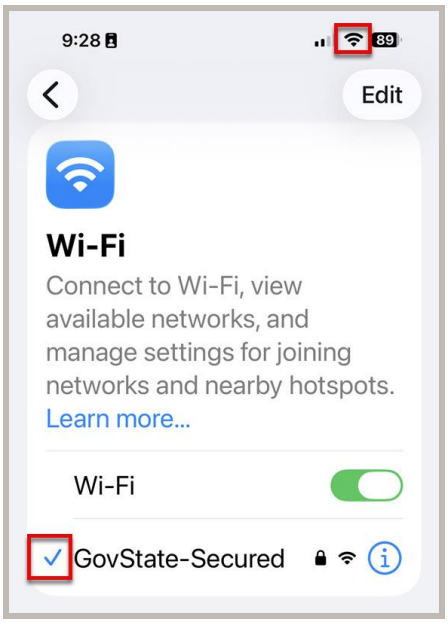

Step 5

You may receive a Certificate message. If you do, click **Trust**. Otherwise, proceed to Step 6.

Step 6

After you join the network, you will see a blue check next to the network and Wi-Fi icon in the upper-right corner.

If you have any questions, please contact the ITS Service (Help) Desk.
